

issued by such organization will not use such proceeds to acquire, lease or improve property which does not benefit its members.

(15) Aquaculture including conservation, development and utilization of water for aquaculture. Aquaculture means the culture or husbandry of aquatic animals or plants by private industry for commercial purposes including the culture and growing of fish by private industry for the purpose of granting or augmenting publicly-owned and regulated stock of fish.

(16) *Energy projects.* Commercially available energy projects that produce biomass fuel or biogas as an output must have completed two operating cycles at design performance levels submitted to the Agency. Projects that produce steam or electricity as an output must have met or exceeded acceptance test performance criteria submitted to the Agency and be successfully interconnected with the purchaser of the output. Performance or acceptance test requirements for all other energy projects will be determined by the Agency on a case by case basis. Financing for energy projects will only be allowed when the facility has been constructed according to plans and specifications and is producing at the quality and quantity projected in the application.

(b) *Public bodies.* See §§1980.481 and 1980.488.

#### § 1980.412 Ineligible loan purposes.

Loans may *not* be made or guaranteed if the funds are used:

(a) To pay off a creditor in excess of the value of the collateral.

(b) For distribution or payment to the owner, partners, shareholders or beneficiaries of the applicant or members of their families when such persons will retain any portion of their equity in the business.

(c) For projects in which such assistance exceeds \$1 million and when direct employment increases more than 50 employees which is calculated to or is likely to result in the transfer from one area to another of any employment or business activity provided by the op-

erations of the applicant. This limitation will not prohibit assistance for the expansion of an existing business entity through the establishment of a new branch, affiliate or subsidiary of such entity if the expansion will not result in an increase in the unemployment in the area of original location or in any other area where such entity conducts business operations unless there is reason to believe that such explanation is being established with the intention of closing down the operations of the existing business entity in the area of its original location or in any other area where it conducts such operations.

(d) For projects in which such assistance exceeds \$1 million and when direct employment increased more than 50 employees which is calculated to or likely to result in an increase in the production of goods, materials or commodities, or the availability of services or facilities in the area when there is not sufficient demand for such goods, materials, commodities, services or facilities to employ the efficient capacity of existing competitive commercial or industrial enterprises, unless such financial or other assistance will not have an adverse effect upon existing competitive enterprises in the area.

(e) For agricultural production which means the cultivation, production (growing), and harvesting, either directly or through integrated operations, of agricultural products (crops, animals, birds, and marine life, either for fiber or food for human consumption), and disposal or marketing thereof, the raising, housing, feeding (including commercial custom feedlots), breeding, hatching, control, and/or management of farm and domestic animals. Exceptions to this definition are:

(1) Aquaculture as identified under eligible purposes.

(2) Commercial nurseries primarily engaged in the production of ornamental plants and trees and other nursery products such as bulbs, florists' greens, flowers, shrubbery, flower and vegetable seeds, sod, and the growing of vegetables from seed to the transplant stage.

## § 1980.413

(3) Forestry which includes establishments primarily engaged in the operation of timber tracts, tree farms, forest nurseries, and related activities such as reforestation.

(4) Loans for livestock and poultry processing as identified under eligible purposes.

(5) The growing of mushrooms or hydroponics.

(f) For the transfer of ownership of a business unless the loan will keep the business from closing, or prevent the loss of employment opportunities in the area, or provide expanded job opportunities.

(g) For financing community antenna television services or facilities.

(h) Charitable and educational institutions, churches, organizations affiliated with or sponsored by churches, and fraternal organizations.

(i) For lending and investment institutions and insurance companies.

(j) For assistance to government employees and military personnel who are directors, officers or have a major ownership of 20 percent or more in the business.

(k) For any legitimate business activity when more than 10 percent of the annual gross revenue is derived from legalized gambling activity.

(l) For any illegal business activity.

(m) For hotels, motels, tourist homes, or convention centers.

(n) For any tourist, recreation or amusement facility.

(o) For any line of credit.

### *Administrative*

*Par (c) and (d).* The FmHA or its successor agency under Public Law 103-354 State Director will review the criteria in §1980.412(c) and (d) and make a written determination with supporting data and reasons as to the determinations. Such review must be independent of the Department of Labor certification. The State Director will make sure the loan file contains these determinations as part of the loan analysis prior to the issuance of the Conditional Commitment for Guarantee.

cessor agency under Public Law 103-354:

(1) The guarantee of lease payments.

(2) The guarantee of loans made by other Federal agencies. This does not preclude the guaranteeing of loans made by the Bank for Cooperatives, Federal Land Bank, or Production Credit Association.

(3) The guarantee or making of any B&I loans(s), to any one borrower, when the total amount of the B&I loans(s) requested plus the outstanding balance of any existing B&I loan(s) is in excess of \$10 million.

(b) Guaranteeing of loans involved in tax-exempt obligations under §1980.23 of Subpart A of this Part.

The State Director will consider the overall State allocations of funding authority in recommending loans for processing. Loan requests which fall within Small Business Administration (SBA) authority should continue to be referred to SBA. If the State Director decides to process SBA size loans, the loan file must be fully documented as to the reasons for such actions.

## § 1980.414 Fees and charges by lender and others.

[See Subpart A, § 1980.22]

(a) All fees and charges must be specifically documented and justified on the Form FmHA or its successor agency under Public Law 103-354 449-1 or on an addendum to the application at the time the loan request is submitted to FmHA or its successor agency under Public Law 103-354 for processing. Allowable fees will be those reasonably and customarily charged borrowers in similar circumstances in the ordinary course of business and are subject to FmHA or its successor agency under Public Law 103-354 review and approval.

(b) Packaging fees include services rendered by the lender or others in connection with preparation of the application and seeing the project through to final decision. These services may or may not be performed by an investment banker. If an investment banker provides needed assistance in addition to the packaging of the loan, additional charges may be added to the
